

The world's smallest reusable Holter device on the market

THE CORE CLIP

BY ACS DIAGNOSTICS INC.

WHEN HOLTER IS ALL YOU NEED

The Core Clip is small and simple to operate. With a smooth finish, the easy to conceal Clip is the most comfortable Holter monitor within the industry. At 0.50oz, its size easily clips to undergarments or clothes for discreet wearing.

The days of patch irritation are over!

*Actual size

Cost effective medicine, it's the right thing to do

THE CLIP VS. THE PATCH

THE CORE CLIP

- 2 Channel ECG
- Traditional lead placements
- Safe & reusable
- Reduced skin irritation
- Reports you can trust
- Fast complete reporting
- Full-Disclosure option
- Quality patient care
- Quick recharge for fast reuse
- Increased revenue

THE PATCH

- Single channel
- One-time use
- Single site application
- Skin irritation
- Limited lab reporting
- Reporting delays
- High patient cost
- High clinical cost
- Low clinical revenue
- No Full-Disclosure
